Annual Report to Parliament

Access to Information Act
(April 1, 2020 to March 31, 2021)

Foreword

This Annual Report to Parliament has been prepared in accordance with Section 94 of the *Access to Information Act*. It is intended to describe how the Public Sector Pension Investment Board (“**PSPIB**”) and those of its wholly-owned subsidiaries identified in its delegation order (collectively “**PSP Investments**”) administered their responsibilities in relation to the Act for the reporting period from April 1, 2020 to March 31, 2021. Of note is that this Annual Report also covers PSP Investments’ wholly-owned subsidiary Downsview Metro Devco Inc. (“Downsview”), operating under the name of Northcrest Developments in Ontario. As per the Delegation of Authority, Canadian operating wholly-owned subsidiaries with their own heads have a separate Access to Information and Privacy Office. However, PSPIB’s Access to Information and Privacy (ATIP) Coordinator was acting as Downsview’s ATIP Coordinator during the reporting period. As a result, Downsview’s access to information activities for the reporting period are covered in this Annual Report.

Annual Reports are to be tabled in Parliament in accordance with section 94 of the *Access to Information Act*.

Mandatory Reporting Requirements

1 Introduction

1.1 Summary

The purpose of the *Access to Information Act* is to provide a right of access to information in records under the control of a government institution in accordance with the principles that government information should be available to the public, that necessary exceptions to the right of access should be limited and specific and that decisions on the disclosure of government information should be reviewed independently of government.

This Act is intended to complement and not replace existing procedures for access to government information and is not intended to limit in any way access to the type of government information that is normally available to the general public.

1.2 Mandate

The Public Sector Pension Investment Board is a Canadian Crown corporation established to invest the amounts transferred by the Government of Canada equal to the proceeds of the net contributions since April 1, 2000 for the pension plans of the Public Service, the Canadian Forces and the Royal Canadian Mounted Police, and since March 1, 2007 for the Reserve Force Pension Plan (collectively the “Plans”). The amounts so transferred to the Corporation are to fund the liabilities under the Plans for service after the foregoing dates.

Its statutory objects are to manage the funds transferred to it in the best interests of the contributors and beneficiaries under the Plans and to maximize investment returns without undue risk of loss, having regard to the funding, policies and requirements of the Plans and their ability to meet their financial obligations.

2 Structure of the Institution to Fulfill its Responsibilities

The Access to Information Office is under the responsibility of the Legal Affairs department of PSPIB. During the current reporting period, the Access of Information Office responsibilities were fulfilled by the following ATIP staff:

- Tammy Marer, Senior Director, Legal Affairs – ATIP Coordinator
- Anita Dernovici, Senior Analyst, Access to Information and Privacy
- Sophie Boivin, Senior Legal Assistant

To note that certain Access to Information Office responsibilities were fulfilled by the following individuals at Downsview:

- Tim Hamelin, Vice-President, Finance
- Derek Goring, Executive Vice-President, Development

Please note that PSP Investments and Downsview do not have any service agreements to report under section 96 of the *Access to Information Act*.

4.2 Covid-19-Related Measures

There was a slight risk of non-compliance with PSP Investments' statutory deadlines under the *Access to Information Act* due to the fact that PSP Investments' offices were closed and we did not receive our mail on a daily basis during the reporting period. However, to mitigate that risk, the ATIP Office published notices on PSP Investments' website requesting to send all access to information requests via the ATIP Online Request Service. With the exception of the above, the ATIP Office was in the position to work remotely at full capacity without impacting access to information

matters. Since Downsview requests would be addressed to PSP Investments' ATIP Coordinator, the same circumstances applied to Downsview.

5 Access to Information-Related Training and Awareness

During the reporting period, PSP Investments updated an Access to Information online training course for all employees which was made available as part of onboarding and to all current PSP Investments employees and staff augment consultants. In addition, the ATIP Office posted an awareness article on PSP Investments' Intranet for *Right to Know Week*. Finally, the ATIP Office provided training to selected newly hired employees at Downsview for the purposes of setting up all access to information-related matters within the organization.

Downsview has provided awareness on Access to Information activities to newly hired employees during the reporting period.

6 Policies, Guidelines, Procedures and Initiatives

During the reporting period, PSP Investments did not implement any new policies, guidelines, directives or procedures related to the Act.

Downsview did not implement any new policies, guidelines, directives or procedures related to the Act.

7 Summary of Key Issues and Actions Taken on Complaints

PSP Investments and Downsview received no complaints and none were concluded during the reporting period.

8 Monitoring Compliance

PSP Investments received only a limited number of access to information requests in the reporting period and does not receive many requests in general. As a result, there is no formal procedure in place to monitor the time to process these requests and the level of officials advised. Nonetheless, an electronic tracking system is in place which includes timely reminders. The processing of the requests was documented in a file management system to ensure easy access and consultation.

Since Downsview requests would be addressed to PSP Investments' ATIP Coordinator, the same circumstances applied to Downsview.
